

## Office of Safe Environment

All parishes and schools must complete the following for the USCCB Youth Protection Diocesan on-site audit which will take place the week of August 29<sup>th</sup> – Sept. 2<sup>nd</sup> 2016.

There will be on-site audits with some parishes and school during that audit week. You will be contacted if you were chosen. If you were chosen for the auditor's visit, I would like to schedule a time with you and/or your Safe Environment Manager to answer any questions you may have about this visit ahead of time. Please feel free to contact me at [blakej@ptdiocese.org](mailto:blakej@ptdiocese.org) or 850-435-3570 to schedule a visit.

Please have your Safe Environment Manager and/or yourself review the Diocesan Database for Safe Environment (Eapps) that lists your employees and volunteers who work with children or vulnerable adults. If changes need to be made please do so or call Human Resources.

All websites should be updated and include the Victim Assistance Coordinators list for the Diocese. You should also include this Victim Assistance information in your bulletins permanently or at least once a month. See below
